District Volunteer of the Year

As everyone is aware of, Little League is a volunteer organization, from the league board, coaches, umpires and all the way down to team parents. One of the more difficult tasks of running a league is ensuring all jobs are filled through the long Little League season. Finding volunteers who will dedicate their valuable free time to your league is a key responsibility (and hopefully strength) of the board. During the season, certain volunteers in your league will go above and beyond expectations to make an positive impact, whether it be leading a key project, an outstanding coach, or someone who is always available to pinch-hit when you have that last second open slot to fill.

District 4 wants to recognize these individuals. We ask that by the end of the regular season, each league nominates a League Volunteer of the Year -- some leagues may already be doing this. But different this year will be that District 4 will award a District Volunteer of the Year. By June, we will ask that you provide a summary of your volunteer of the year. From the 14 league nominations, the district will choose the District Volunteer of the Year, and that person will be honored at the District 4 Volunteer Dinner in September.

- February 11th@ 7:00 PM – Bisso Lane. Intermediate & Junior Scheduling meeting. All teams playing in Inter-league **MUST** be present to schedule with other teams their game schedules for the season. (For leagues that have 4 or more teams and are playing amongst themselves do not need to attend; only if they want to interleague and play with others then they must attend).
- **If a league coordinator or another league official is NOT PRESENT then it will be up to that league to secure their own games!!!**

- February 25th @ 7:00 PM Bisso Lane- Teenage BB RULES MEETING. ALL **Division Coordinators, Managers & Coaches that are managing and coaching in any of the teenage divisions MUST ATTEND!!!**

The presentation lasts two to two and one-half hours and will cover rules primarily for minor and major baseball. It is good for umpires (both youth and adult), coaches, managers, and parents. Dates are filling up for February and early March.

From Liz Berg, ADA Safety

Thank you to the leagues who have submitted their ASAP plans. The remaining 4 leagues need to submit their ASAP's ASAP (yes, the pun was fully intended). Your league is not fully covered by insurance until your ASAP is approved. Registration data should be uploaded as soon as possible, you can update as often as you want.

2019 ASAP plans are available for download from the LL Data Center.

Upcoming Umpire Clinics

Our Umpire training clinics are fast approaching! We are offering three umpire clinics this year:

- Basic Umpire Mechanics – two clinics:

Morning is Field Mechanics, Afternoon is Plate Mechanics

Saturday, February 8th at Continental

- Junior Umpire Clinic for teenage umpires.

For more information on how to register for these clinics see the District 4 Facebook page.

Congratulations

We are pleased to announce that District 4 has two volunteer umpires who have been chosen to be part of the umpire crews for two Little League Western Region tournaments this summer.

- Norm Downing of Pittsburg LL will be an umpire at the Little League Softball Western Region tournament in San Bernardino, CA
- Marco Rosen of Walnut Creek LL will be an umpire at the Little League Baseball Western Region tournament in San Bernardino, CA.

Congratulations to Norm and Marco. This marks 16 consecutive years that a volunteer umpire from District 4 has been selected to umpire in a Western Region or World Series tournament.

Use of Portable Mounds

Many leagues will use a portable mound due to fields being multiuse

between softball and baseball or with different divisions of play. Leagues should remember that the pitcher's mound must meet the height and size dimensions as covered in Rule 1.04 and Rule 1.07. The height of the pitcher's plate above home plate is different in Little League Majors and Minors, Intermediate, and Junior/Senior Divisions. The use of a "game ready" pitchers mound is the right way to meet these size requirements. Smaller practice mounds that are not the correct size should not be used for games. There is several approved Little League portable mounds and information can be found on the Little League website.

Thanks for Help With the Umpire Clinics

Thank you to the following league and their Boards of Directors for assistance in hosting our upcoming umpire clinics - Concord American Little League for hosting our Mechanics Clinic on February 1st. Continental Little League for hosting our Junior Umpire Clinic on February 8th.

Reminder on Umpire Approval and Use of Paid Umpires

All umpires who provide repetitive service to your league must be appointed by the League President and approved by the Board of Directors by vote at a board meeting. The process must include the individual completing a Volunteer Application and having a nationwide criminal background check performed. Approval is not transferable League to League, so make sure those umpires from other leagues are approved. Umpires assigned from an association,

even if paid must also go through the approval process. Do not rely upon the assignor telling you he performed the background check. We recommend you have a written contract with the assignor, laying out game rate, payment methods, etc. If you choose to hire umpires, this is a business relationship and should be handled as such.

If you are paying umpires, we suggest your Board address issues related to employment, taxation and insurance, especially with recent changes in California law regarding classification of independent contractors and employees. If an individual who performs umpire duties is under control of the League which dictates and provides uniforms, location and time of work, specific training on local conditions, and is subject to suspension by the Board may be considered an employee. While youth sports officials may be exempt from workman's compensation, being an employee subjects the league to wage schedule concerns such as allowable hours, overtime, work permits for youth, etc. Also, IRS Rules might require tax withholding and other payments. Even if deemed to be Independent Contractors you may have 1099 payment reporting requirements. We recommend your Board get advice from your league CPA or others. Remember that Little League accident and general liability insurance is for volunteers, not for employees.

An individual, or a group of such individuals, that participates in a non-Little League program, club, tournament, event, or game, are subject to the provisions of this Regulation, Regulation IV(a) Note 2, and the provisions of the Tournament Rules and Guidelines regarding "player participation in other programs;" pertaining to player eligibility requirements for Little League International Tournament play.

Synopsis: Allows a local Little League to administer and promote non-Little League programs, while prohibiting the local league from using Little League funds to insure or financially support any non-Little League program, event, or game.

ITEM 2: Regulation III(a) – The Teams – Major, Intermediate (50-70) Division, Junior, and Senior Divisions of Baseball and Softball

- (a) The league shall, at least 10 days prior to the first regular game, establish the number of players on each team. **Little League (Majors)/Intermediate (50-70) Division/Junior/Senior:** No team may have more than 15 players nor less than 9. **NOTE: Rules 1.01, 3.03 Note 3, 4.16 and 4.17 apply regardless of roster size.** **Minor League and Tee Ball:** There will be no minimum or maximum established at the Minor League and Tee Ball levels. Roster size of 8-10 players is recommended. **NOTE:** If a local league elects to roster less than nine (9) players at the Tee Ball and/or Minor League levels, rules 3.03 Note 3, 4.16, and 4.17 do not apply.

Synopsis: Reduces the minimum number of players mandated on a regular season roster.

ITEM 3: Regulation IV(i) and Tournament Rule 9 – Mandatory Play – All Divisions of Baseball and Softball

- (i) **Mandatory Play:** Every rostered player present at the start of a game will participate in each game for a minimum of six (6) defensive outs and bat at least one (1) time. For the purposes of this rule, “six (6) defensive outs” is defined as: A player enters the field in one of the nine defensive positions when his/her team is on defense and occupies a defensive position while six outs are made; “bat at least one (1) time” is defined as: A player enters the batter’s box with no count and completes that time at bat by being retired, **retired as a batter-runner or runner, score, or the inning or game ends. or by reaching base safely.**

ITEM 4: Regulation V – Selection of Players – Minor and Major Divisions of Baseball and Softball

(c) **Alternate method of operation**

To aid leagues that are having a difficult time getting enough players for their regular season teams the following option is available: A pool of players from existing regular season teams can be created with players that are willing to participate in extra games during the regular season when teams face a shortage of rostered players for a regular season game within their respective division. **EXCEPTION: A local league Board of Directors may allow age appropriate Minor League players, who have been assessed capable, to be eligible for a Major Division Player Pool, participate, and return to their respective Minor Division team. All other guidelines must be followed as outlined.**

NOTE: Players may not be “borrowed” from an opponent. They must be assigned by the player agent.

Guidelines:

1. The league’s player agent will create and run the pool. The league’s player agent will use the pool to assign players within their respective division to teams that are short of players on a rotating basis.
2. Managers and/or coaches will not have the right to randomly pick and choose players from the pool within their respective division.
3. Under this option, when a player participates in a game on a team other than his/her own team, such player will not be permitted to pitch in that game.
4. Pool players that are called and show up at the game site must play at least nine (9) consecutive defensive outs and bat once.
