### Topics discussed during Admin meeting:

- Projected budgets for NDASC/continuation or conclusion. **(Not discussed)**
- Sub-Committee Chairs' responsibilities to the ASC, as per guidelines. **(Discussed and Resolved)**
- Do we have an/who oversees that task Archive of North Dade ASC, (past minutes, Sub-Committee reports...etc.?) **Not discussed**
- Storage place for event supplies of the ASC **(Discussed and Resolved)** North Dade 24hour room will store supplies at the treasure's home until such time the ASC secure a different location or approve this location. It was required that we find a location quickly, due to church, request.
- Follow-up on RCM (Guidelines pg. #3 Attendance Section VI) **Discussed not Resolved** at this month's Admin. Meeting, Treasure suggested that, it appears to him the RCM is present in the ASC meeting when it is time to collect the reimbursement for travel and lodging to region, therefore it would be the opportune time to complete the impeachment process/ or whatever process has been set into motions by the Chair.
- Follow-up on guidelines corrections for admin meeting (Guidelines pg. 28) **Discussed and possible Resolution – pending outcome at ASC today. (Procedural Guidelines changes page 12 #3)**
- 24-hour room closing report, lead to an interesting extensive discussion of financial responsibility to our groups. After lengthy review the most cost effective way to continue to service our members and meet our primary purpose in NDASC, the attending members purpose a change in the application of the "Holiday Celebrations" provided by North Dade. This suggested change is both a change in guidelines policy and a possible relief of financial cost to the ASC... more will be revealed in the sub-committees' report..... Today
