### **Chair's Report**

It has been an intense effort of this Chair and Vice-Chair to work closely with the trusted servants of this ASC, to collaborate with them on the support that's offered to our area from NA community and the South Florida Region. To that avail, the chair and vice-chair and all admin members are committed to servicing our area to the best of our abilities.

With that been said there are a few items we feel needs to be address as they pertain to a cohesive working environment.

1. As part of the responsibilities of the Chair and Vice-Chair, we are support servants of the area- meaning as per guidelines **page 19 for the chair and page 20 for the vice-chair**, we expected to coordinate with each sub-committee and each coordinator to ensure that they receive the necessary help they need to stay on track.
2. As part of the responsibilities of each sub-committee or coordinator no meetings are to be held in secrecy- all meetings are to be announced, with date, time, and location. Most of all, meetings are open to any member on NA.
3. We are an active area in the South Florida Region, therefore our sub-committees chairs and coordinators we are expected to participate in our regional actives when possible, if this can't be accomplished, please inform the RCM, Chair, Vic-Chair of the situation as the chair will be attending the region as often as possible and may be able to assist.
