

Removing Blue Highlight – 1 of 4

Step 1

Step 2

Step 3

Step 4

The Blue Highlighting on the interactive PDF forms can be very annoying , and here are the steps to remove it. Once changed, it remains as the default for that computer.

Smart LabTools

Calculate Mean, SD, CV%, Reference Range

? TYPE YOUR LAB NAME HERE ?

Document Test System Information

Method / Instrument	Test Description	Units
AU400 CHEMISTRY	GLUCOSE	MG/DL

Other Reagent / Q.C. Product Information

EVALUATING NEW LOT OF QC..

Removing Blue Highlight – 2 of 4

Step 1

Step 2

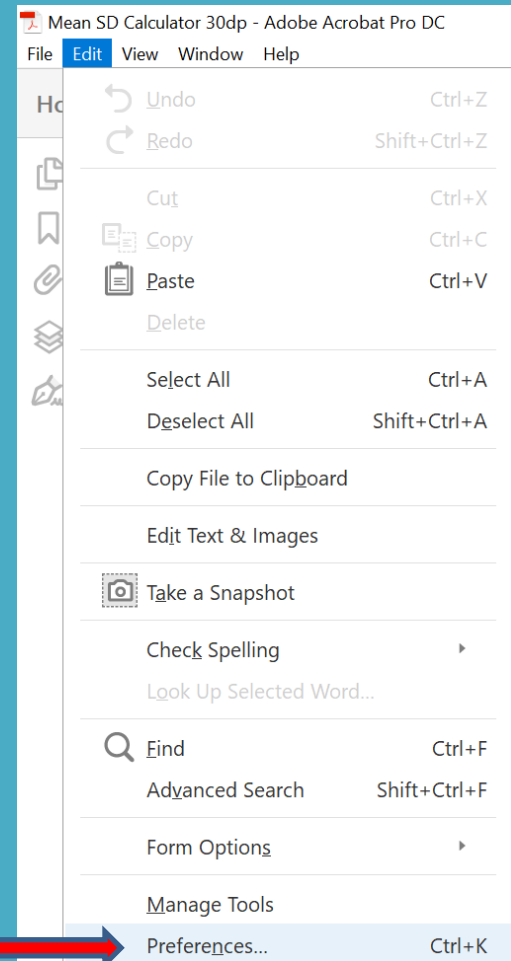

Step 3

Step 4

Select [Edit]

Select [Preferences]

Removing Blue Highlight – 3 of 4

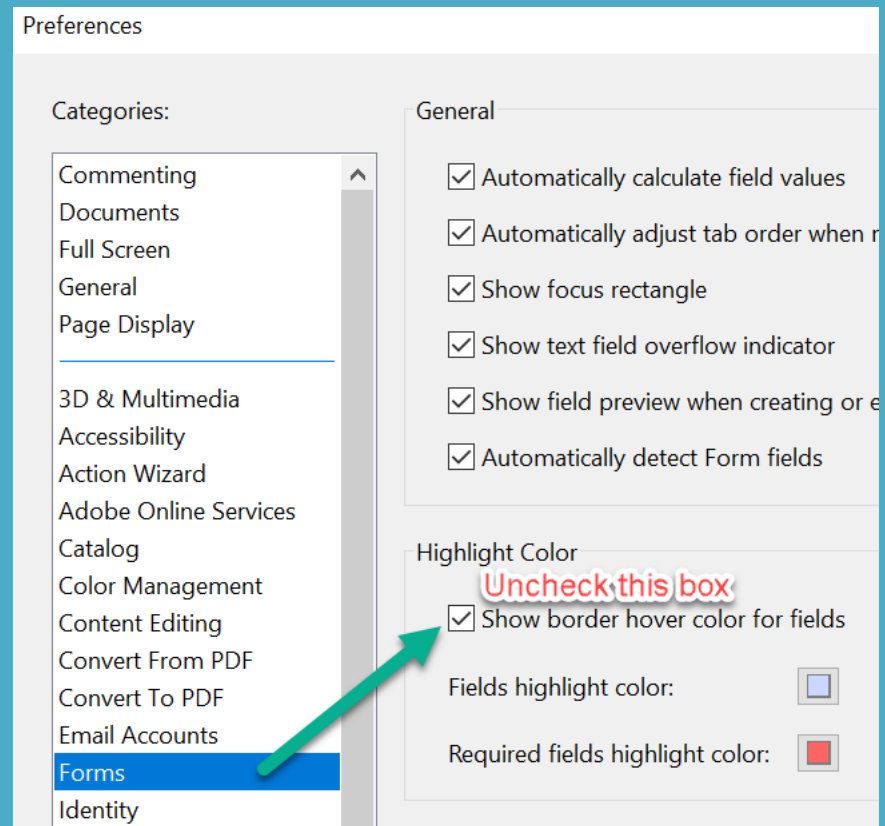

Step 1

Step 2

Step 3

Step 4

Select [Forms], then Un-Check the box shown below

Removing Blue Highlight – 4 of 4

Step 1

Step 2

Step 3

Step 4

Great Job!! Now you can enjoy a nice clean white background...
