Drivers Education Program for Newcomers 2020

For some new immigrants coming to Saskatchewan, not having a driver's licence is a barrier to finding or retaining employment. Northeast Newcomer Services understands that having valid Class 5 driver's licence can enhance a person's life and significantly increase their options for employment.

The Driver Education Program for Newcomers covers the cost, or part of the cost, of the 6x6 Commercial Driver Education Program (six hours in class and six hours in-car).

Grants will be given based on eligibility, financial need, and general need.

To apply, provide a copy of your Saskatchewan Learner's Licence and a letter from your selected Driver Instructor stating when training will begin and end, as well as total cost of training to:

NEW: NNS Mobile Services

Northeast Newcomer Services will begin offering mobile services as of March 4, 2020. The Settlement Advisor will travel to active communities in the Northeast outside of Tisdale. Currently Nipawin, Melfort, Porcupine Plain, Carrot River, and Hudson Bay will be receiving mobile services. Staff will visit one community every Wednesday on a rotating basis. The goal of having staff travel to these communities is to reduce the barriers that some newcomers face in getting to Tisdale to receive services at the NNS office. Schedules will be provided to each community to promote to their newcomers. Mobile services will be provided out of partnering facilities in each community.

To support this new initiative, the Tisdale NNS office will be closed Wednesdays beginning March 4, 2020, until further notice.

For more information, or to book an appointment, email settlementadvisor@northeastnewcomerservices.com.

This event is for everyone, not just women. Let's get together and socialize, celebrate, and learn a little bit about the history of women in Canada. Feel free to invite your family, children, spouse, or a friend. Bring a story to share about a woman in your life that you are grateful for. This is a casual event meant to bring people together. You do not need to register, and you can come and go as you would like.

New Staff at NNS!

We are excited to introduce our newest staff member! Jody Armstrong is our new Settlement & Information Advisor. She speaks English and a little bit of Italian and Japanese. She previously worked with settlement services in Saskatoon, and taught English in Japan and Italy. She has traveled to over 20 countries and loves learning about different cultures and languages. She was born and raised in Tisdale, so she has lots of great connections to help you get settled. Stop by the office and say hello to Jody! We are open Monday-Friday, 8am-4:30pm.
