Dear Brother Westlake,

The Dixon Correctional Institute, Wardens, employees, Chaplains and offenders would like to acknowledge Randy and Elizabeth Davenport for their faithfulness in ministry. Red Life Ministries is one of dedication and persistence in their endeavors. They have presented themselves as chosen vessels preaching the word of God and changing the lives of many as they go. We offer a note of appreciation and thanks for their dedication. We encourage them to continue their journey in love, spreading the gospel and keeping the faith.

Sincerely,

Patricia Williams, Unit I Chaplain
