

UN Official - The East has 33 teams that have qualified for the Classic. We averaged 42 teams per tournament so the top 21 teams in points automatically qualified. An additional 12 teams qualified by either fishing all 6 tournaments in the division or making up for missed tournament by pay skip fishing two tournaments in other divisions. If I have you marked incorrectly please let me know. I will submit these names to Andy Buss who will be preparing the final starting order.

Place	Qualified	Classic Confirmed	Team #	Team	# of Events
