

Crawford Oaks Community Newsletter April 2019

HOA

The annual meeting was held on Thursday March 21st. The minutes have been posted on the Crawford Oaks website.

- We will be adding a couple more doggie stations to the neighborhood
- Many units are in need of pressure washing of the siding and driveway
- We're considering doing a yard / front of the month – more information will be provided next month
- Trash cans need to be brought in Wednesday evenings and stored out of public view. Not on the side of the homes, or in front of garages but out of public view or view of the street
- It is time to add fresh pine straw or mulch to all beds to avoid letters or fines. This include tree beds, flowers beds, sides of homes
- Mailboxes need attention. Many are leaning, need new stain, or overall cleaning. Many numbers are peeling off and need to be replaced on both sides.
 - The post stain is 2 coats called Woodscapes Tricorn Black from Sherwin Williams
 - Numbers can be obtained at Georgia Mountain Graphics speak to Beth (770- 287-1715)

HOA Communication

Communication is important. Did you know we have a website at crawfordoaks.com?

Find us on Facebook (link is on the website)

We also use email as a means of communication. We'd like to ensure that we have current emails for everyone. Please send an email to bill@crawfordoaks.com with your name, street address and email addresses that you'd like added to the distribution list.

We will use all of these tools to provide communication to the community.

Mailbox post style and numbers must remain consistent in look throughout the community.

Numbers can be obtained at Georgia Mountain Graphics. The contact there is Beth.

POOL AREA LANDSCAPING AND BACK ENTRANCE SIGN

We are working with the landscaper to:

- add some plants to add some color to the flower beds outside of the pool building
- add some flowers at the rear entrance
- add fresh pine straw in the common areas

We will be freshening up the sign at the back entrance.

- Please make plans to pressure wash the siding of your home to remove any mold, dirt or mildew, also if your shutters or doors are discolored or faded in any way, please make plans to paint the approved color. This helps demonstrate a neat appearance and improves curb appeal.
- Now is a good time to freshen pine straw or mulch and plantings in flower beds
- Please remove oil stains from your driveway
- Pet waste stations are located throughout the community – PLEASE USE the baggies provided to clean up after, and dispose of your pets waste. Cleaning up after your pets is courteous so that others aren't exposed to stepping in the waste. Animal waste can create a health hazard to others, so please do your part.
- Recycle bins may be placed at the curb after 4pm on Monday for Tuesday pickup. Bins are to be removed from the curb by the end of the day on Tuesday.
- Trash cans may be placed at the curb after 4pm on Tuesday for Wednesday pickup. Cans are to be removed from the curb by the end of the day on Wednesday. Trash cans should be stored out of public view, except on trash day.
- Residents are asked not to park on the streets. The number of cars at any given residence should not exceed the number of parking spaces on their own parking pad. If you have guests and do not have room for them to park at your residence, please notify the HOA to obtain permission for them to park in the parking area next to the pool. Email Roger at roger@crawfordoaks.com. Cars parked on the street create a safety hazard. Please do not block another person's access to their driveway/property. If this occurs, the police may be notified, cars may be towed, and residents may be fined.
- Pets must be on a leash when outside your home or fenced yard. Both the City and County have leash ordinances.

Please take note of a few of the more notable reminders below.

- **All trash cans are to be stored out of public view at all times other than trash days. Storing trash cans on the side of your home is not out of public view. Trash cans are NOT to be left on the curb after trash day.**
- **DO NOT place items such as furniture on the curb UNLESS you have made arrangements with the trash company to pick them up. Items for trash pickup follow the same rules as trash cans to and from the street.**
- Several homes have siding that are in need of being pressure washed
- Weeds in the new construction yards: The landscaper has treated these and will continue to do so. Many are still seeing new weeds due to no pre-emergent added to the new sod yet. It will be done in the dormant season this year and homeowners will see an improvement next year as a result.
- Homeowners are responsible for cleaning out all flower and tree beds ridding them of overgrown grass and weeds regularly to avoid letters. Also, please apply fresh pine straw or mulch to help weeds not take over and for a neater appearance.
- If your balance is 2 months or over, delinquent, your account will be sent to the collection agency. Please keep your accounts paid in full each month. Due the 1st late by the 10th to avoid late fees.

Lawn Maintenance

Lawn service days are Monday and Tuesday.

Spring Gardening Tasks

April and May is time of year when everyone gets back out in their gardens! The warmer weather draws us all outside, but sometimes we are not sure exactly what to do and when to do it. I love to use lists in order to make sure I do not forget anything. This is a list we have used for several years, it is a great reference:

April

1. Plant summer annuals
2. Prune spring flowering shrubs after they bloom
3. Apply pre-emergent herbicides to shrub beds
4. Fertilize trees, shrubs and daffodils
5. Spray for powdery mildew, aphids, lacebug, leaf miners, etc.

May

1. Monitor grubs and disease in turf
2. Fertilize annual flowers once per month
3. Prune spring flowering shrubs after flowering
4. Prune evergreens for dense growth habit
5. Monitor insects and diseases – powdery mildew, lacebug, scale, mites, etc.
6. Fertilize spring flowering shrubs after blooming
7. Monitor roses for diseases and insects
8. Complete planting of annuals and summer flowering bulbs
9. Cut back and mulch daffodils when foliage dies
10. Aerate warm season turf after 75% green up

From the HOA Board.....

The landscapers are in our community each week during the growing seasons to mow, edge (rotating between the front and back every other week) and blow. Weed control will be performed at the appropriate time of the year.

If you have a complaint, please contact our Property Manager, Memrie Creswell and do not take a confrontational approach with the landscaping crew. The landscaping crew is working hard to provide a service and deserve to be treated with respect by everyone. If you have questions about the lawn maintenance, please direct those to Memrie and not the maintenance crew. They have a lot of work to do and need all the time possible to complete the work.

Pet Feces in yards

The lawn maintenance crews WILL NOT service yards that are found to have feces in them. It is each homeowner's responsibility to clean up after their pets, whether in their own yard or when out walking.

Doggie stations are scattered throughout the neighborhood when walking your dogs.....please use them and clean up after your pet.

Our HOA is financially sound. As of March 31st.....

- Total Assets = \$288,317.97
- Operating Account = \$106,823.96
- Reserve Account = \$181,494.01

HOA monthly fees are due for receipt by the first day of the month. If you find yourself in a situation where you are unable to pay your HOA dues, or are behind on your dues, a payment plan may be considered. To discuss a payment plan, please contact Memrie Creswell at CMA.

Each homeowners annual dues total \$660. Below is a graphical display of how your dues are used to budget for our expenses.

Recreation expenses are those related to the amenities. Safety expenses are those related to the security system. Utility expenses are those related to the electricity, water/sewer and phone for the common areas and amenities.

Administrative	\$173	26%
Grounds & Landscaping	\$321	49%
Recreation	\$41	6%
Repairs & Maintenance	\$87	13%
Safety Equipment	\$7	1%
Utilities	\$32	5%
