faceformulations

CRYSTAL CLEAR is a delicate herbal cleanser that wipes away dirt and leaves skin refreshingly clean and even-toned. It also contains fruit acids to gently exfoliate dead skin cells and remove oiliness. Suitable for all skin types. CRYSTAL CLEAR has a fresh dual therapeutic fragrance which helps control oiliness and acne forming bacteria.

Application:

Use in the evenings. Rinse face with Rooibos Tea. Massage CRYSTAL CLEAR gel onto face and neck then wipe away dirt and pollutants with a damp facial sponge or cloth. Apply MOISTURE SOURCE or MOISTURE SHIELD SPF 8 afterwards.

SMOOTH OVER scrub removes dead cells from skin's surface – this prevents clogging of pores and introduces new cells faster. The gentle exfoliating action stimulates blood circulation to remove free radicals and increase nourishment to cells for a clearer skin.

Application:

Use Smoothe Over scrub on face and neck. Then apply Moisture Shield/Moisture Source.

SPOTLESS is ideal for solving problems like pimples, skin blemishes and other sensitive skin conditions. The special herbal formulation contains antioxidants like vitamins, minerals and Annieque's patented Rooibos extract. These ingredients will accelerate the healing process, while calming irritated skin.

Application:

Apply Spotless sparingly to a dry and clean skin. Use on affected areas as well as pimple-prone areas of the face, neck, chest and back. Combine with regular use of Liquid Skin-Nutrition.

CALM DOWN is the ideal masque to calm red, irritated and inflamed skin. This cooling masque brings instant relief for sensitive, problem and normal skin.

Application:

Apply Calm Down masque onto clean skin and leave for 15–20 minutes. Remove with clean facial cloth and lukewarm Rooibos water. Rooibos extract is a super antioxidant. It detoxifies, has anti-inflammatory properties and regenerates skin cells.

MOISTURE SOURCE is designed for normal, sensitive and problem skin. It contains a unique ingredient to control sebum production and helps prevent or control problem skin. It contains uva-ursi with anti-septic properties and zinc sulphate, which inhibits breakouts combined with antioxidant moisturisers.

Application:

Apply after cleansing then spray skin with Liquid Skin-Nutrition to restore pH and repair cell damage.

MOISTURE SHIELD SPF 8 is a daily moisturiser for young skin with sufficient sun filter to protect against UV-rays. The sun filter will not cause skin allergies or breakouts.

Application:

Apply Moisture Shield SPF 8 once or twice a day after cleansing then spray skin with Liquid Skin-Nutrition to restore pH balance and repair cell damage.

LIQUID SKIN-NUTRITION [LSN] is an effective and simple to use “skin therapy spray” formulated to eliminate skin impurities such as spots, pimples, blemishes, blackheads and white heads. LSN is highly anti-bacterial, cleanses pores deep down and promotes a clearer spot free appearance.

LSN contains essential nutrients to aid the skin in its own natural healing process. Essential oil from the marula fruit, helps prevent dryness, enabling suppleness of the skin and provide a natural antiseptic. Green Rooibos extract provides revitalising, antioxidant function combined with vitamins that include vitamins A for healthy skin; B1 to stimulate blood circulation; B3 and H for healthy skin; B5 to help regenerate broken skin; B6 to help with the metabolism of amino acids; B9 to ensure healthy cell division and replication. Vitamin C aids in collagen and elastin synthesis; vitamin E provides protection to cell structure from free radical attack; and vitamin PP helps treat skin ailments.

Amino acids provide skin strength and citroflavonoids improve micro-circulation and limits inflammatory reactions.

Application:

LSN can be used throughout the day to prevent break-outs, restore pH balance and immune function of cells. This product also controls oiliness for a natural matt appearance.

face routine

wake-up call

1 rinse

Splash face with cool or luke warm Annique Green Rooibos tea. This instantly revives and wakes skin up – ready for the treatments to follow.

2 protect

Apply **facefacts** Moisture Source [sensitive and allergic skin] or Moisture Shield SPF 8 to protect against pollution, UV sun rays and dryness.

3 prevent

Apply **facefacts** Spotless on pimples, trouble areas [e.g. mid-face panel] to treat and prevent breakouts. Sensitive skin should only use Spotless at night until the skin has become less sensitive and will more readily accept the treatment.

night time reset

1 cleanse

Massage **facefacts** Crystal Clear gel onto face and neck then wipe away dirt and pollutants with a Rooibos dampened facial sponge or cloth.

Also try **facefacts** Smooth Over scrub cleanser if you have a problem skin and need to remove dead cells and stimulate blood circulation.

2 calm

Use the **facefacts** Calm Down camphor masque two – three times a week.

This masque is ideal for problem areas like pimples – reduces redness and inflammation instantly.

3 repair

The **facefacts** Calm Down camphor masque is also great for reducing pigmentation, dry and sensitive skin when applied over other Annique skin care formulations like the Vitamin E Tissue Oil, Skin Detox, and Derma Bright.
