ResQue Crème

For skin care emergencies!
Rooibos ResQue Crème brings relief for many everyday skin conditions. This one-of-a-kind formulation is a must-have for every emergency kit in the home; handbag or car. ResQue Crème contains a high percentage of Annique's Rooibos extract to help calm, soothe and restore skin to normal. It is the ideal cream to bring relief for itchy skin from allergies, dryness, insect bites, sunburn and heat. Rooibos ResQue Crème contains no perfume and is safe for even the most sensitive skin.

Clinical test

Annique ResQue Crème has been dermatologically approved through clinical tests. It is suitable for sensitive skin, around eye area and will not harm, irritate or aggravate skin.

Trials with ResQue show relief for...

Eczema.....	80,0%
Cuts and grass burns.....	91,6%
Pimples.....	75,0%
Sunburn.....	75,0%
Itchy skin.....	90,9%
Rough dry skin.....	85,7%
Allergies.....	81,8%

ResQue Mist

A little miracle-worker for neck and muscle pain, headaches, sinus, and hay fever. It is also a great mood-lifter during stressful moments when you need to be calm. Brings instant relief from insect bites and skin irritation or rashes.

ResQue Essence

ResQue Essence comes in a roller container for daily use to bring instant relief from spring time allergies, hay fever and head aches. It is also effective for insect bites, pimples and preventing breakouts.

The formulation contains wintergreen, eucalyptus, peppermint oil, camphor and menthol.

Roll content on temples, back of neck, under nose or anywhere skin, body and mind could benefit.
