Mission Statement

The mission of STARZZ Basketball is to provide an opportunity for our young people to develop and improve their basketball skills, as well as their personal development. Through basketball, our young people will learn valuable lessons about teamwork, discipline, respect, hard work and the value of making good decisions through participation in competitive sports.

Goals

The goal of STARZZ Basketball is to become the premier amateur youth basketball program within Central Texas.

STARZZ Basketball

STARZZ Basketball, in its first year, is a non-profit 501(C)3 youth services program, affiliated with the Amateur Athletic Union (AAU).

The STARZZ Basketball program was established to provide basketball opportunities for the youth of our community during the summer months. STARZZ Basketball will address those needs for any youths who wish to participate.

We will be successful because we will provide quality management and direction, manage financial resources wisely, and recruit and train quality coaches and volunteers who understand their responsibilities are to the team and program, whom they represent and are accountable to.
