Serving Central Texas

MISSION STATEMENT

The mission of the Central Texas STARZZ Basketball program is to provide an opportunity for our young people to develop and improve their basketball skills, as well as their personal development. Through basketball, our young people will learn valuable lessons about teamwork, discipline, respect, hard work and the value of making good decisions through participation in competitive sports.

Greetings from the Program Directors ...

Charles, Jasmin, and Dorothy Lyons

Dorothy, Jasmin, and I are hoping this newsletter finds all doing well. As usual, lots of future plans in play for the Central Texas STARZZ for Season Five.

We will be hosting the Harlem Ambassadors in a benefit basketball game on February 2, 2013 at Copperas Cove High School. We will also be hosting our annual basketball tournament again this year. The tentative dates are April 27 – 28, 2013.

We will be adding 4 – 6 grade teams, boys and girls, to the program. So, we are recruiting players in that group NOW. I am also recruiting new coaches, as there are several coaching changes that are in the works.

The calendar located on the website has been updated with dates to help you with future planning. All dates and activities are subject to change.

On the next page is information pertaining to a girls Recruiting Seminar 13 and 20 October. Please plan to attend. Mr. Tony Allen will provide FREE recruiting information. It is never too early to plan for the future. Please contact him for registration.

SUPPORTING STARZZ BASKETBALL

Coach Jon Hawkins and son, Tory, present a Certificate to the manager of Walgreens of Harker Heights for their support of the Central Texas STARZZ. Located at www.starzzbasketball.com is the listing of the many sponsors of the Central Texas STARZZ program. Some of those sponsors were so kind as to provide fundraising opportunities or gave monetary donations. In any case, we thank them for their support, which contributed immeasurably to the successes of Season 4.

Coach,

I am contacting you to find potential players that might be a good fit for the University of Dallas and our basketball program. Our recruits typically have a GPA of 3.25 or higher and a SAT score of 1100 (Math + Critical Reading) or higher. Our staff attempts to find a higher quality student-athlete; one that possesses a strong desire and the love of the game, one who is self-motivated and has a willingness to achieve a work ethic second to none in the classroom and on the court.

UD has an outstanding reputation as an academic institution, regionally as well as nationally. In addition, UD is recognized for its commitment to strong athletic programs, specifically basketball. At the University of Dallas the student-athlete has the best of both worlds; a tremendous educational opportunity while playing NCAA college basketball. This combination makes UD the place for the motivated student-athlete.

The University of Dallas is a small, private, Catholic liberal arts and sciences institution located in the heart of the Dallas-Fort Worth metroplex. UD is a suburban campus only minutes away from the Dallas downtown area as well as DFW airport. UD is a school of total enrollment of about 3000 students; 1300+ Constantin College undergraduate students, 300 Braniff Graduate School students and 1500 Graduate School of Management students. UD offers small classes, outstanding teaching, and a challenging curriculum.

Please take a moment to click the link below and complete the questionnaire if you know of any players that would fit here at the University of Dallas. We appreciate any and all assistance. Please contact us anytime if we can answer any questions about UD or our basketball program.
