9. ADJOURNMENT

"My husband and I have decided the local parks just aren't good enough for our kids. We'd rather use the country club, and we are hoping state tax dollars will pay for it. We are advocating for Park Savings Accounts, or PSAs. We promise to no longer use the local parks. To hell with anyone else or the community as a whole. We want our tax dollars to be used to make the best choice for our family."

**SOUND RIDICULOUS?**  
Tell your legislator to vote NO on Education Savings Accounts (ESAs), aka school vouchers.
