

## World Mission Rosary

The World Mission Rosary was designed by Archbishop Fulton J. Sheen who said "Peace will come only when the hearts of the world have changed. To do so, we must pray, not only for ourselves but for the whole world." The Archbishop's words have never been more important than in our world today. In this rosary, the different parts of the world are represented by different colored beads: green is for Africa, blue for the islands of the Pacific, white for Europe, red for the Americas, and yellow for Asia. This year a Why Catholic group provided a packet, containing the World Mission Rosary and a Rosary meditation booklet, to students of the 6<sup>th</sup> grades at St. Anne's and in the CCD program. We are looking for volunteers to help make these rosary packets for next year's 6<sup>th</sup> grade students. Instructions and materials will be furnished. If you are interested, please call Tillie Fischer at 223-7938.

We also need your help in funding materials for the 75 rosaries needed for next year. Would you sponsor a \$5 rosary packet for a student? If you should decide to do so, please place your contribution in an envelope marked "ROSARY PACKET" and place it in the collection basket.
