

## Knights of Columbus

### St. Anne Council 10496

---

Have you ever wondered what the St. Anne Knights of Columbus Council has done lately? Read on to see what they do in a typical year.

They hold eight to nine breakfasts a year and have food vending booths at three events. They hold an annual roast beef dinner, turkey bingo, shamrocks and tootsie rolls sales to mention just a few of their activities.

They typically donate over \$5,000 a year to religious education, seminarians, vocations and Church facilities. They donate a little over \$2,000 a year for human needs programs in our community and around \$1,000 a year for youth programs.

The aforementioned just reflects their monetary activities. They promote the Catholic Faith in the community, participate in Right to Life activities, visit the sick, distribute Communion to the homebound, hold blood drives ... and the list goes on. The St. Anne Knights of Columbus Council volunteers **over 17,500 hours a year** to these and numerous other activities.

If you aren't a member of the St. Anne Knights of Columbus, they could sure use your help in all of the above activities. Please consider giving some of your time and talents to your council. You can become involved by contacting any Knights of Columbus member or the Church Office.
