

New Staging System 2017

Beginning this year, we will be staging cars in this manner:

Odd Lanes 1,3,5 will be in the left lane. Even lanes 2,4,6 will be in the right lane.

Lane 1 will run Lane 2 until lanes are empty.

(Lanes will be closed once filled.)

Next, Lane 3 will run lane 4 until lanes are empty.

(Lanes will be closed once filled.)

Lane 5 will run lane 6 until lanes are empty.

(Lanes will be closed once filled)

Once lane 5 & 6 are running, we will open lanes 1 & 2 and so on.

Once entering the staging lanes, you cannot switch lanes.
