

What is IVI?

This ninth year program was developed to enable elementary age field hockey players the opportunity to be in a team situation. Players will learn during the weekly practices along with the Sunday afternoon games. We will have three divisions. We will have grades K-2, grades 3-4, and grades 5-6. The divisions that will be comprised of all level players (no experience necessary).

Director:

Players must provide their own equipment for this program. All players need googles (eye wear), shinguards, mouthguard, sneakers, and a stick. There will be sticks to borrow (please indicate on application). Shinguards are the same that are used for soccer. Mouthguards are required and will be for sale for \$2. There are also starter kits available for \$35 which includes a stick, shinguards, mouthguard, and a ball (please call or email for more information).
