To Whom It May Concern,

I am writing to recommend the services of JustinAnimation. I personally worked with JustinAnimation in which they created a promotional animated film for the Inaugural Submission Ace Tournament hosted out of Red Deer Alberta. I was thoroughly satisfied with the quality, creativity and effectiveness of the finished project.

JustinAnimations expertise in 3D animation and level of professionalism has guaranteed that they will be working on the second Submission Ace Tournament promotional videos.

I am happy to recommend the services of JustinAnimation. If you have questions, feel free to contact me.
