it was down in Louisiana where I met my sweet Marie
it was love at first sight all right she sure took a shine to me
lightnin' strikes when least expected this Cajun lady came on strong
day after day had it made in the shade an' we'd boogie on the bayou all night long

boogie on the bayou ~ all night long
boogie on the bayou ~ 'til the break of dawn

I was down roun' Crawfish Alley when I met ma sweet chérie
hit me like a hurricane a freight train nothin' I could do c'est la vie
no matter where I am with my delta baby I can't go wrong
she took me in her arms an' into her heart now we boogie on the bayou all night long
