

MY PERSONAL INVENTORY FORM

Fill out this form to keep documentation of all valuables that may be targeted by thieves in the event of a burglary.

Step One: Go through each room of your house and identify items of value. Record make/model/serial number of these items.

Step Two: Photograph the items.

Step Three: Store this list in a safe place.

In the event that you are the victim of a burglary or theft, call 911, then locate this personal inventory form and provide it to the officer who responds to your call.
