PRESIDENT' S MESSAGE
Ann Leo

Welcome Spring. This time of year makes you want to get outside and enjoy the good weather. One way to do so is grab a rake and volunteer to participate in the HWC Easter Egg Hunt on April 20th! We have a great time while providing our community with a fun event. Hope to see you at the April meeting on the 18th, lots to do and plan and prepare for Easter and the end of HWC calendar.

EASTER EGG HUNT
April 20, 2019

I can still use some help for the hunt, please let me know if you can help. There will be coffee and donuts. Please show up at 9:00 am and bring a rake as everyone should help with the straw. The boy scouts will clean up the straw for us. Hopefully the weather will cooperate again this year.

Also we still have the Las Vegas Condo raffle still going on, one idea is to put the raffle on your facebook to see if we can sell a few that way. Remember drawing will be after the Memorial Day Parade in Hinckley.

**Thank You

SPOTLIGHTING OUR MEMBERS

**WOW!! What a great open house. So far, 7 new members!!
Here is a little note about them.**

Kelly Morrison

I'm really excited to be part of the HWC . Mary Kirk suggested I check out the club.

I have lived in Hinckley about 3.5 years. My husband and I moved here from Garrettsville, where we lived for 24 years. Our 2 children are both grown and on their own, so moving closer to his work seemed like a good move.

Meeting new people and becoming involved in our Hinckley community are what I look forward to by joining the HWC.

The meeting last week was a nice way to get started.

Missy Spain

I heard about HWC through Facebook.

My husband and I moved to Hinckley, Ohio from The Woodlands, Texas. (Near Houston) for a new job for my husband. We have been married for 32 years. We have one daughter who lives in Dallas, Texas, and she is an Oncology Nurse. I volunteer for hospice. I have a golden retriever so I spend a lot of time at Hinckley Lake. I love to be outside and moving.

We have lived in Hinckley for 3 years.

I look forward to making new friends and being involved in the community.

Maddi Grossenbaugh

Susan Filippelli referred me to the group and has invited me to different events/meetings.

My husband, Jestin, and I have been married for 11 years. We have a 9 year old son Collin who is in 3rd grade. I am a Bank Manager at Citizens Bank in Montrose, and my husband is the Fire Dept Chief for Hinckley Township. In our free time, you can find us working on creating or hosting events for the Fire Dept or cheering our son on as he gets ready to test for his Blackbelt in Taekwondo this month.

I originally moved to Brunswick with my family in 1997. After school and getting married, my husband and I bought our house in Brunswick in 2008.

I look forward to getting to know a new group of ladies and getting to participate in events and activities.

Lisa Kramer

Heather suggested I join and got me on the mailing list.

I live in North Royalton with my husband of 18 years, Jeff and our cat Sleepy Jean.

I have lived in North Royalton for 18 years.

I look forward to meeting new people. Doing some charity work, having some fun.

Chris Studor

I heard about Hinckley Women's Club from Marge Palik and of course notices sent to the Eastern Medina Post.

My family moved to Hinckley, from N. Royalton, about 15 years ago. We moved a whole five miles to Canyon Creek

I am a newspaper reporter and worked 15 years for Sun Newspapers, 20 years as public relations coordinator for N. Royalton Schools, then retired. Just as I was retiring I saw the notice in the Eastern Medina Post looking for part-time reporters. So, I have been working for the Eastern Medina Post for about 7 years.

I write the township trustee news, Highland School Board news and assorted features and photos. My husband is retired as owner of North Coast Nissan in Middleburg Heights. He now spends much of his time as a board member at Pine Hills Golf Course. My oldest daughter is a music teacher in N. Royalton Schools and my younger daughter has her own marketing company.

I love the country and the outdoors. I have been a volunteer with Cuyahoga Valley National Park for ten years. When my husband and I travel it is usually to a national park. I also take watercolor painting lessons from time to time, love to read and spend a great deal of time with my 5 year-old grandson.

When I attended the HWC meeting in March I was impressed how well organized the group is as well as its focus on community service. Like the township itself, which is unique in its country atmosphere, I feel the HWC has that small town feeling but dedicated to service in a big way. I look forward to being a part of the HWC.
