### **PRESIDENTS MESSAGE**

Wow, what a whirlwind of accomplishments when you think of this year! First I must thank my board of these last two years. Never before have I realized how many dedicated members that I have the opportunity to work with. Thanks to all our committees, you have made our club succeed. It has been a great year of socializing and interesting meetings. Last we must say goodbye to a valued friend, Stacey Skerya and wish her and Bella luck on their new move.

Blessing to all....Michelle

### **THANK YOU**

The memories I take with me are many, and I cannot begin to thank all of you all for your friendship. You are a tremendous group of loving, caring women that it has been my privilege and true honor to know. I will never forget you either and I know the HWC will continue to do great things for the community.

I will be back, hopefully sooner than later and thank you all for making me and my life the better for it!

Love, Stacey

### **PINE TREE BARN**

On Saturday, April 30th five of us (Carolyn Davenport, Pat Fordosi, Nancy Mandilakis, Marge Palik and myself) went to Pine Tree Barn, south of Wooster. I managed to get us lost by not taking the correct exist. Thank goodness for cell phone with directions. We ate first at The Granary and we all enjoyed our lunch. Nancy and I especially enjoyed their famous lemon muffin. We shopped for a few hours and we all managed to buy something. Pat was the winner; she bought the most. Nancy found a hat that was trimmed with ties which was very unusual. It is fun to enjoy members in the club and get to know them better. If you want to do something special for yourself, a friend, or a relative it is worth taking a trip to Pine Tree Barn. I know you will enjoy it. We did! Stephany

## **MEMBERSHIP DUES & COMMITTEE EXPENSES**

## **WAYS AND MEANS**

Taking over for Stacey next year will be like trying to fill big shoes! Here are two things for you to think a little bit about; Ways and Means this year will be a team of members who will plan some fund-raisers together. So far, these members are on that team: *Michelle Lumadue-Kosinsky, Annamarie Tucky, and Cheryl Valasic*. We can use some more brains and some more ideas. If you, too, would like to help plan and carry out Pancake Breakfast, Rally in the Alley, Buzzard Day, Easter Egg Hunt, and other brilliant untried ideas, please e-mail Heather Liccardi at [hliccardi@yahoo.com](mailto:hliccardi@yahoo.com). If you can think of new ideas involving fund raising, please share by also e-mailing Heather.
