# Hall of Fame

## Nomination Form

The WVTA Hall of Fame has only 2 categories; they are Grandmaster and Sifu of the year. Other Martial Art Halls Of Fame are for making money and they charge astronomical amounts for induction. The WVTA prefers to make its HOF a non-expense for the recipient. That is the meaning of being inducted into a HOF, it should never cost the individual anything to accept an induction. Also take note, the WVTA is the only VT/WC association that has an HOF that recognizes VT/WC practitioners.

Please fill out the form below with a brief description of why you feel the person you nominated should be the Grandmaster and Sifu of the year. Thank you for your help and consideration in this. We would appreciate a timely response by August 1st.

This year the nomination process will be conducted earlier with voting to be submitted by August 1<sup>st</sup>. In this way the new HOF inductees may receive the awards prior to close of that year. All executives and state representatives will be receiving a nomination form which is to be completed and returned for tally. If the nomination form is not received by August 1<sup>st</sup>, it will not be considered. We would like to remind everyone that; you cannot nominate your own lineage Grandmaster or Sifu. Please consider your nominations' contributions to the Ving Tsun community as part of your criteria for selection.

Also, a Grandmaster can only be a recognized Grandmaster such as the disciples of Yip Man, or a recognized Grandmaster from another family. If from another family, they must be a contemporary of Yip Man disciples meaning a disciple of their respective Grandmaster. The Sifu nomination may be any recognized Sifu that holds lineage, once again from any family of Ving Tsun. What is meant by "holds lineage" is a Sifu that has a legitimate lineage in which they grew from. In other words, a Sifu that has learned from books and videos will not be considered.
