**Adopt a Family for Christmas 2018 Adoption Form**

Thank you so much for choosing a HOPE of the Grand Valley family this Christmas!

It is because of people like you that we are able to help so many!

Our goal is to take the stress off of our Grand Valley families that are paying their own rent, food, and other bills, yet are struggling every month.

This way, when it comes to Christmas, they don't have to worry. They'll be assured that their kids will receive Christmas gifts along with a beautiful Christmas dinner.
