From the Principal

Greetings, Northeast Families -

We are off and running with another terrific school year! These first few days, students have been “learning the ropes”: routines, expectations, and even a few glimpses into the exciting curricular offerings for the year. Students in 4th grade are beginning to design roller coasters as part of their science curriculum. Our 5th graders are starting to collaboratively define what makes good research good, as they self-select fascinating research topics. Third grade students are jumping into deep exploration of character traits including kindness, honesty and more. Every student in our school and throughout all 8 elementary schools will be sure to have at least one learning experience that’s built on the case study model. Students will be engaged in collaborative research and class work that mirrors that of real scientists and historians, as they engage in fieldwork, connect with local/global experts, self-assess, and create high quality products/projects to share with a real audience. Many of these will culminate in celebrations of learning, so be on the lookout for information about these. Engaging students in meaningful learning experiences is at the heart of what we do, and we’re looking forward to sharing this student learning and student voices with you throughout the year.

Curriculum nights are upon us!

These are excellent opportunities to learn more about your children’s respective grades and classrooms, with a focus on what and how students will be learning. We were glad to see folks on **Wednesday, September 13 at 6:30 for 3rd grade**. We hope to see you on **Monday, September 18 at 6:30 for 5th grade**, **Tuesday, September 19 at 6:30 for 4th grade**, and **Tuesday, September 26 at 6:30 for 2nd grade**; there will be a social hour sponsored by the PTA beforehand at 6:00 in the cafeteria for each of these evenings. We also hope you’ll join us on **Thursday, September 28 at 6:00 for Kindergarten and 1st grade**; the

PTA-sponsored social hour will be at 7:00 in the cafeteria. Our PTA is quite remarkable in terms of what it collectively does for kids. It was good to see so many people at our first meeting — thank you! If you don't already, please consider getting involved by volunteering and attending meetings through the PTA. Additionally, if you haven't joined the PTA listerv, do so as soon as possible, given that many updates (including some from me) go through this list. Find out more by visiting www.northeastpta.com.

Thank you to everyone for such a warm welcome to new kids and families this year, and for your tremendous support of the staff, including me. It's a pleasure and an honor to serve as your leader, as we all (adults and students alike) learn with one another. Please know that I am always open to questions, comments, concerns, feedback and more, and you can share with me via phone (257-2121), email (lily.talcott@icsd.k12.ny.us) or stopping by. We frequently communicate via phone and email ourselves through automated calls, so be sure your information is up-to-date by checking with the office. Have a wonderful September, and thank you for your commitment to our children's education.

Sincerely,
Ms. Lily Talcott, Principal

Join the Northeast PTA Listserv

The listserv provides the most up-to-date information about Northeast School. Receive email notifications about important school news, events, community activities, calendar changes, and volunteer opportunities

To Join, please do one of the following:

1. Send a blank email to NortheastPTAsubscribe@yahoo.com
2. Go to <http://groups.yahoo.com/group/NortheastPTA/join> and follow the instructions to sign up.
3. Visit the Northeast PTA website (northeastpta.com) and click on the link

Contact Lori Drake – (lori@tigerfire.net) with questions.

Removing Yourself from the listserv

If you no longer wish to receive notices from the listserv, you can click on the unsubscribe link at the bottom of all listserv postings. More detailed instructions for unsubscribing can be found on the PTA website.

I Extend a Warm Welcome to You.

If this is your first year at Northeast, you may feel overwhelmed by the amount of information coming your way.

Here's the top 10 things that you need to know for now:

#10

Save the date for our 5K and fun run. Whether you run, walk, or just want to help out and meet people, please join us for this community event on Saturday, October 14th. (See separate note for registration info on page 8).

#9

Please make sure you join the listserv to receive up-to-date school and PTA information. If you haven't signed up for the listserv, please go to our website (northeastpta.com) and follow the instructions in the blue box.

#8

You'll find copies of our PTA forms on our website, a link to our FAQ in a number of languages, our school calendar, contact info for Program Leaders, etc.

#7

Hard copies of forms and information packets are sent home via backpack mail. Some teachers send mail home every day, while other teachers send it home at the end of the week. Please ask your child for the mail!

#6

Our monthly newsletter has a compilation of the month's programs and events, as well as information from the teachers and Principal on classroom happenings. Please take the time to read through it.

#5

The NE PTA directory is a great way to communicate with fellow families, and for Program Leaders to contact if there is a problem with your registration forms. We can only include your contact info in our directory if you allow ICSD to share

it with us. Please make sure that some (or all) of your information can be shared with the community!

#4

Our PTA programs are run by volunteers. Please be return forms and checks by the deadline (if you can't make it on time, please let the Program Leader know before the deadline). Make sure the check is signed, the payee is NE PTA, the numerical and word amounts match, and it's written in pen – this will save tons of time on our side.

#3

We provide scholarships to our classes and programs. If you need financial help and don't automatically qualify for a scholarship, please let the Program Leader or Board member know. We will do our best to help.

#2

PTA General and Committee meetings and PTA programs are open to all of our community members regardless of membership status. If you would like to join a committee, please contact the Program Leader (the Program Leaders will be listed on the website and in this year's directory).

#1

A tentative schedule of our meetings and events was sent home via backpack mail. You can also access this information through our online calendar on our website.

Have a great school year!

Early Release Emergency Drill

October 2

On Monday, October 2, the Ithaca City School District will be conducting a district-wide emergency release drill. All schools will close 15 minutes early and there will be no after school activities.

Northeast Elementary will release students at 1:45pm. If your child rides a bus, bikes or walks to school, please expect them home 15 minutes earlier than usual. If you pick your child up at school please arrive by 1:45. There will be no Kid's Count.

Volunteer Opportunities

A list of PTA programs was sent home via backpack mail. There are still some programs that need volunteers. Unless we have enough volunteers in place, we will be unable to run some of these programs. Please let us know if you are interested in helping with the following programs:

Credit Union – needs a Coordinator and committee members; runs on Wednesdays 7:40-8am (contact Tina, tinabauersfeld@yahoo.de).

Yearbook – needs committee members (contact Tina)

Movie Night – needs a Coordinator and a couple of committee members (contact Eglantina, eluciob@gmail.com)

Staff Appreciation – committee members (contact Eglantina)

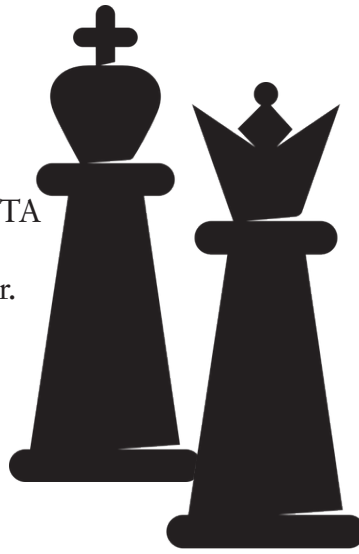

5K – needs coordinator-in-training and committee members (contact Eknath, eknath.belbase@gmail.com).

Thank you,
—Eglantina

Chess? Hip-Hop? Knitting? Chemistry?

If your child would like to engage in hands on, after school classes about these topics, then the PTA Enrichment Program is for you! The Northeast PTA offers three sessions of Enrichment each year. Enrichment classes run once a week for 6 weeks from 2:05-3:00 and require parents to register and pay a small fee for each class. Taught by Northeast teachers or community members, these classes offer a way to explore a range of fun and exciting topics in an affordable way.

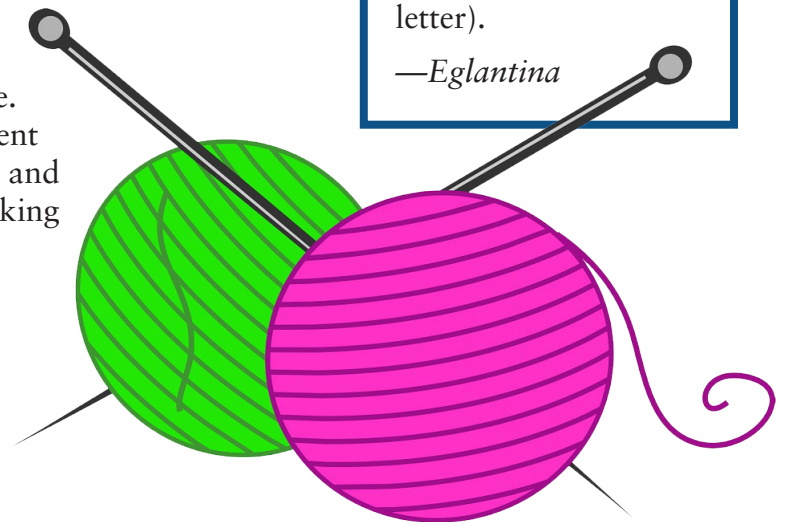

Questions, Suggestions, Concerns?

Please feel free to share your thoughts with us throughout the month. We can deal with most requests via email. Anything significant (starting a new program, grant requests...) needs to be discussed by the full Board. The PTA Board meets the second Wednesday of each month. If you have a proposal that needs to be discussed at a PTAB meeting, please send it to the President or Secretary, at least 10 days before our meeting so we can put it on our agenda. (Our contact info is listed in every newsletter).

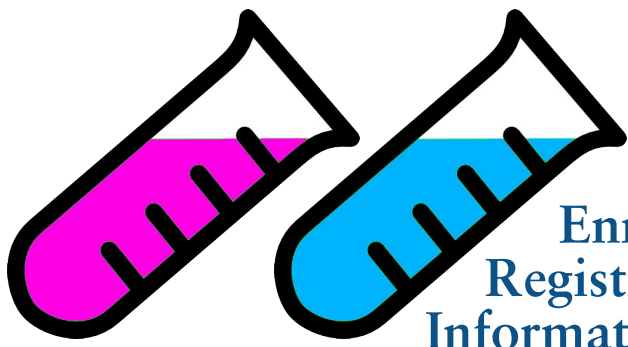

—Eglantina

A few important pieces of information about Enrichment:

- For the fall session, Enrichment is open to students in Grades 1-5. The Kindergarten teachers have asked that K students wait to enroll until further along in the school year.
- Students who participate in Enrichment must be picked up by a caregiver or be enrolled in Kids Count afterschool program. There is no late bus or other transportation for Enrichment students.
- There are scholarships available for students who receive Free or Reduced-Price Lunch. Each child can receive one scholarship per session.
- Families are asked to enroll students in no more than 2 classes each session. If you have more than one child enrolled at Northeast, you can enroll each child in two classes. We ask you to please remember that there are limited spaces available and many students and families interested in Enrichment.
- Enrichment is coordinated by parent volunteers. In years past, there have been issues with families picking up their children late (after 3:00) which is a serious inconvenience to the school staff, the parent volunteers who coordinate Enrichment, and the instructors of the classes. With that in mind, the PTA has instituted a late fee for families who do not pick their children up at the required time. This policy also generates more work for parent volunteers, so please consider carefully if you and your family can meet the expectations for picking up students on time.

See Enrichment Registration Information on Page 6

Enrichment Registration Information

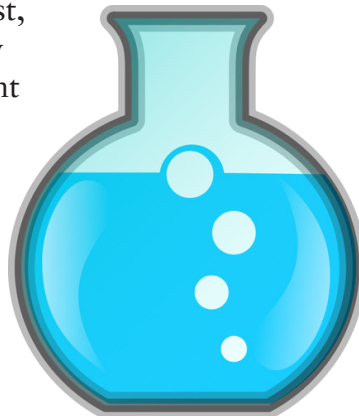

The Fall session of Enrichment will open for registration in the next few weeks. We will use an online registration system using Google Forms. Although this new system will continue to have some bumps, we hope that it will address some of the concerns about the timeliness and fairness of registration. If, after learning more about registration, you have any questions or see ways that this won't work for your family, please do contact one of the co-chairs and we will figure out a solution.

Here is an outline of how the system works:

- An email will be sent to all families/caregivers with a link to a description of the classes and registration forms. Families will also be sent home a paper description of classes and the registration process (although there will be no paper registration). If, by September 22, you have not received an email from the list serve or a paper flyer about Enrichment, please contact me and I will send you information directly.
- Online registration will open on 9/25 and close on 10/2 (or when classes are filled if before 10/2).
- Classes will be filled on a first come basis using the online form.
- Once a spot in an Enrichment class is filled, families/caregivers will be notified and will have 3 school days to return a signed permission form and payment for the class in order to preserve the place.
- If the payment/form is not returned on time, spots will be filled from the wait list. Checks must be made payable to Northeast PTA in order to be processed.

Registrations will be processed and classes will be confirmed from 10/2-10/13 and classes will begin on October 16. Enrichment classes are a great way for your child to enjoy some low-cost, exciting activities after school. If you have any suggestions for ways to improve the Enrichment program, ideas for classes, or want to volunteer, please get in touch!

School Picture Day

It's that time of year again: School Picture Day is on Friday, September 22nd and Retake Day is on Tuesday, November 14th. Flyers with more details will be sent home with your child soon.

For more information and online ordering, there will be a link to Lifetouch School Portraits on the Northeast PTA home page: www.northeastpta.com.

Math Club

An information package was sent home to 4th and 5th grade families. If you did not receive it, please email me (eluciob@gmail.com). The deadline for registration is 09/15. Our first meeting is 09/22.

—Eglantina

Did You Know...

- The PTA receives no money from school taxes or the government. All our funds come from membership fees, donations, and PTA fundraisers.
- The PTA is run entirely by volunteers.
- You do not need to be a PTA member to volunteer for or participate in PTA programs.
- If you join the PTA, you are not required to volunteer (although we always appreciate help).
- Your donations (but not your membership fee) to the PTA are tax deductible.

Silver Graphics Fundraiser Coming Soon!

Silver Graphics puts students' art on textiles, ceramics, tiles, etc. to create unique gifts.

Information will be sent home in backpacks and posted on the website and the listserv soon!

Welcome to Music at Northeast School!

Welcome to Music at Northeast School! I am delighted to be a part of this great community, and to be working with your lively and talented young musicians in music and dance!

Our General Music program at Northeast School is designed to help children learn through active, playful engagement in music-making within a sequential, structured program.

Classes include lots of music-making!

Our activities include: singing; playing classroom percussion, ukuleles and keyboards; Music literacy--learning to read, write, analyze and discuss music; participating in traditional singing games and dances of many cultures; puppet operas; student music conductors, composers & storytelling through music; and of course, sharing our music and dance with family & friends!

More specific details about the program will be included in our Music Curriculum letter (to be sent home during classroom Curriculum nights). Additional, specific information about teams, ensembles and events will be sent home as the year progresses.

Check the Check!

Dear NE Community,

The PTA appreciates your participation in our programs and fundraisers.

As we head into the last few months of our school year, we wanted to remind you to please take a moment to review the checks you are write for PTA programs. Please remember we are not part of the school or District.

The PTA can only deposit a check if

- it's written in pen,
- the date is correct,
- it's written out to NE PTA (or NE PTA Enrichment for Enrichment classes)
- the amount is correct (both in numbers and words), and
- it's signed.

Our volunteers cannot fill in missing information or make corrections to your check. Therefore, when there are mistakes, we have to contact each person, return the check and get a new one. This is time-consuming for our volunteers as it's never just one check that needs to be returned. If each family takes a minute to proofread their checks, it will save our volunteers hours of work. So please, check your check before sending it in.

*Thank you so much for your consideration,
The PTA Board*

We are always in need of gently used books. Please drop them in the red box by

the Bright Red Bookshelf. We appreciate all the books that have been donated.

Thanks to your generosity, Northeast kids have enjoyed hours of reading.

It's Not Snowing Yet 5K and Fun Run!

The Northeast PTA will host its second annual 5K and 1 mile Fun Run on Saturday, October 14, 2017. Please join us for a brisk fall run or walk and some fun before the snow starts! All proceeds will benefit the Northeast PTA.

The Fun Run starts at 9:00am.

The 5K starts at 9:30am.

Bib pickup is between 1:45 – 2:15pm on Friday October 13, or 8:30-9:00am on race day.

Register online in advance by visiting northeastpta.com to link to the Webscorer registration page. Registration will close two days before the race.

5K fees: Junior (age 17 and below) \$10; Adults (age 18 and above) \$15; Family (2 or more participants of any age) \$20; T-shirts \$7.

The Fun Run is \$3 per person (requires waiver for each participant per our insurance).

We also need volunteers to help make this event a success! Please go to <http://bit.ly/ne5k-volunteers> to donate time or supplies.

Additional information will come home in backpacks soon.

News from the Health Office

Hope everyone had a great summer and are happy to be back at school!

There have been some changes in the New York State immunization requirements for school attendance this year. For a complete listing, please go to the Ithaca City School District website and if you have any questions, I will be happy to help you. As I review immunizations for new entrants and by grade level, if your student is missing any immunizations, I will be contacting you.

Also, when your child has a physical exam, please ask the doctor's office to fax a copy to the school nurse. 607-257-8157

If your child needs medication at school, we must have a doctor's order, parent permission and the parent must provide the medication in the original container for use at school.

Just a reminder, during the school day, sometimes the students need a change of clothing. Most students prefer their own clothing rather than "borrowing" clothes from the health office. Please send a change of clothing for your child that can be kept in the classroom. Also, on PE days, the students need socks and sneakers. They can keep an extra pair of socks at school too. If anyone has gently used sneakers to donate to the PE teachers, they can let students use them when students forget their sneakers.

I would also like to have a few donations of clothing to the health office to lend out. Especially larger size elastic waist pants and t-shirts.

Although the weather is nice now, the cold weather will be here before we know it! We can always use donations of boots, warm winter jackets, snow pants, gloves, mittens and NEW hats. These items are kept in the Borrowing Closet for students use.

Please drop off any donations to the health office. Thank you very much!

Have a great year,

Hey Parents!

Here's an EASY way to make a BIG difference for the PTA.

Did you know that for every one box top Northeast gets 10 cents??

10,000 TOPS = \$1000

How many ziplocs do you use in a year?

How many boxes of Annie's Mac + Chesse do your kids eat in a month?

Save the BOXTOPS!

Welcome back to school! The Box Tops program is an easy way for parents to get involved in their child's education. By purchasing Box Tops products, we earn cash that can be used to buy anything Northeast needs. You can find Box Tops on thousands of your favorite products from cereals to office supplies. Box Tops are each worth 10 cents for our school and it's amazing how they add up when we all participate! There are now two easy ways to contribute:

1. Clip Box Tops coupons from any participating Box Top product you buy and send them with your child to give to his or her teacher. We'll take it from there!

OR

2. Download the Box Tops Bonus App and scan your store receipts when you purchase Box Tops products. Our school ID is 137846. No clipping necessary!

If you have any questions, please contact me, Darlene Campbell at dccampbell001@gmail.com. I'm here to make our school's Box Tops program a huge success! Keep your eyes peeled for more fun and exciting ways to participate throughout the year!

Frequently Asked Questions

Do I have to join the PTA to volunteer at school?

The PTA offers volunteer opportunities, but you can be as involved as you like without joining the PTA.

If I join, do I have to be on a committee?

We can always use help, but we understand about busy lives and family priorities. Just by sending in an application, you'll support the educational life at Northeast by offering a monetary contribution and showing your solidarity with other parents and the staff.

If I do volunteer, how much time will I have to give?

Volunteer opportunities exist that fit every schedule. You can volunteer as much or as little as you like.

Why would I consider a donation on top of my membership?

Your PTA membership supports both NYS PTA and our NE PTA. Your tax deductible donation would go 100% toward PTA-sponsored programs at Northeast.

Studies show that children whose families get involved do better in school. Be a model for your children and show them that school counts. You can bring home the power to make decisions and create change for your kids by belonging to the Northeast PTA.

From the Family Liaison

Dear Northeast Families,

I hope everyone had an incredible summer and a great start to the new school year this past week! I am so excited to be back as the Northeast Family Liaison and look forward to serving our community. This truly is a special school and I feel lucky to be apart of it. Here are some of the established programs that help us accomplish our goals at Northeast:

**WELCOME BACK
TO SCHOOL!**

Family Math Program:

There are over 100 math games and activities available to families in the school library. In the presence of an adult, students can check them out and take home for a fun family game night! This program helps to

strengthen and reinforce your child's math skills, in addition to providing fun activities for your family. Put "Game Night" on the calendar and come take a look at all the fun games we have to offer! Also, if you have any math-related games in good condition that you no longer use, donations are always welcome!

Backpack Supplies:

We have a number of backpacks filled with school supplies, free of charge. A special thanks to Cornell University for their donation! If your child, or a child you know, needs one for the school year, please contact me.

Outerwear Borrowing Closet:

An early reminder that we will have a supply of winter clothing available for borrowing at the end of the 1st grade hallway as the weather gets colder. Students are able to use this service if they forget any clothing during the cold months. They are also welcome to keep items if they need them on a regular basis. If you are replacing any winter clothing for your child this fall, please consider donating items in good condition to this program. All coats, snow pants, boots, mittens, scarves, and hats are much appreciated!

If you have any questions or need assistance, please feel free to contact me via phone or email, or stop by my desk located in Room 014.

I look forward to a fun school year ahead!
