## Ministry Fair / Finn Fest Sunday, August 25th Immediately Following the Service

If you were curious about what the Ministries are all about, this is a day where you will find out just how easy it is to be involved in or even be a chair of a Ministry.

Stations will be set up throughout the church where information can be found and questions can be answered.

Finn Fest will include a silent auction for baked goods that members of the church can contribute.

This will be a fundraiser to support the Downs Syndrome Association of Central Ohio.

Finn will also be auctioning off some of his artwork and cookies and donuts will be available to purchase.

Please come and plan to support Finn. This will be silent auction only.
