A.J.I. - Our Mission

Alaska Judo Inc.'s (A.J.I.) mission is to promote and grow the Olympic sport of judo in Alaska. We have developed our current record number of Nationally certified Referees. We have secured a premier venue for annual State Championships, increased attendance, doubling the size of the competition area, invested in new technology. We have brought Olympic caliber athletes and coaches to Alaska to put on seminars and share their knowledge. We have provided financial and coaching support towards our junior competitors so that they can travel and compete/train out of state and out of country.

A.J.I.'s goal is to host National-level events here in Alaska, including our 2014 State Championships. We have attracted the attention of the United States Judo Federation (USJF) and USA Judo as being a well run, cohesive organization. We ask your help in keeping it that way through your support.
