PROGRAM

REMEMBERING THE OLD TO BETTER THE FUTURE

I have 4 old ceremonies that I thought we could do. It would involve the Lectures, Youth and Juniors to perform. After each ceremony we could as a group, discuss how we could make changes, if needed, to incorporate them into today's Grange meetings. With this being short notice for planning, I thought it might be easier for you by doing these ceremonies and not have to scramble to figure out a program to do.

Also I want to plan a time when we can meet and maybe each Lecturer could have a short topic they would like to talk about. 10– 15 min.? Whether you do one or not, I'll let you decide. Also at this time we can talk about next year and what kind of program you would like to do. This can be done sometime when the others are busy.

In April we'll be meeting again to make a schedule. So I'll know more then. I do know that Saturday afternoon, we'll be going to Roland Winters home to see the Michigan State Grange Museum and to a horse stable.
