

*We're wearing red  
and celebrating Valentine's Day, Feb. 14<sup>th</sup>, 2018  
At Tri-County Squares - Tillsonburg  
45 Hardy Ave*

*We can't think of a better way to celebrate  
than to share the evening with our dancing friends.*

*It being National Flag of Canada Day on the 15<sup>th</sup>  
we can celebrate love of country  
as well as love of family and friends.  
How can you celebrate all these  
And not think of red and chocolate?*

*Come refreshment time,  
there may be a bit of both in our future!*

*I'm sure in Tom's repertoire  
there are some love songs  
and songs about friends,  
but does he have anything about being patriotic,  
flags, or being red  
( not green - that's next month)*

*We hope to see you in a square!*
