Raspberry Rocks:

Evaluate if you climb out there. Replace if you have gear, let someone know via Facebook if you don't.

Falling Rock:

Evaluate if you climb out there. Replace if you have gear, let someone know via Facebook if you don't.

Spearfish Canyon:

Looking at using glue in bolts

Devils Tower:

Got clearance to use power drills to replace bolts soon. Will finalize new permit and head ranger will come to meeting to talk with us about permit and replacing bolts.

Spearfish Hardware:

Cronin motioned to get \$500 for glue-ins and wave bolts on limestone, Becky seconded. Motion passed. Cronin will organize order.

Rushmore Ranger:

Dwayne is leaving and will keep us informed about his replacement.

Website Dues Due:

Dwayne motioned to keep the website going. Cronin seconded. Motion passed. Darryl will get it done.

Falling Rock signage:

Any suggestions for signage verbiage and pictures; bring to next meeting!

Access Fund:

Also could investigate grants for bolt/anchor replacement.

Poverty Gulch:

Investigate opening poverty gulch back up for camping access. Need to talk to Custer officials.

Luke Ross Slideshow:

Luke is interested in doing that and Jason maybe could get the theater at his school. McNabb should coordinate with Luke.

Custer State Park Cleanup:

Coordinate with the park to continue cleanup tradition. McNabb will start talks and Chris P. will help.

Access Fund:

End of July cleanup and trail day. Event has potential to be a big regional trail building seminar and training session.

Adopt a Crag:

Figure out next month, think of areas that need it. Ron says Falling Rock is getting bad again.
