

Black Hills Climbing Coalition Meeting Minutes
September 15, 2014
Independent Ale House, Rapid City

Attendees:

Bob Prann, Luke Ross, Jason McNabb, Ron Yahne, Toni Brumbaugh, Tim and Marci Brumbaugh, Mark Jobman, Chris Hirsch, Jim Slichter, Matt,

REEL ROCK:

No Raffle, just swag giveaway

Most stuff is organized, just need to get the swag organized to see if we need to draw ticket numbers in case of an expensive swag. Posters handed out at the meeting so keep an eye out for them and if you don't see one where there should be one, let someone know!

Square Reader:

Works with smartphones and ipads as a register for memberships and donations

Makes membership signup easier and more convenient than having to deal with paper memberships.

(Can be used when there is no service)

Concerns were raised about the functionality of the system with Android operating systems and the added cost.

Operation will be checked by Bob when the square reader arrives.

Cost is 2.75% per transaction. (\$0.96 on \$35) So we can increase membership cost to \$36 to cover the added cost for the convenience.

Route Repair:

Hirsch fixed a couple routes behind Sylvan. Rock Walk and Walk around the Rock. Working on yellow wall soon with Cronin.

Poverty Gulch:

Need to speak with Forest Service about getting Poverty Gulch opened back up and organized a little better (pit toilet/tent pads). Grant funds available from Access Fund and Alpine Club.

JASON: SEND LUKE A HIGH RES POSTER!!
