Access Fund:

Want to do at least a conservation day next year, maybe a big regional trail building training day. Also could investigate grants for bolt/anchor replacement.

Alpine Club:

Investigate opening poverty gulch back up for camping access

Pioneer Frontier Fund:

Wrote grant to gain funds for bolt replacements, trail building materials and received around \$875!

Spearfish Hardware:

Cronin asked about the potential of buying glue in anchors for replacement of anchors in Spearfish Canyon. Going to need lots of input from the Spearfish crew, Cronin will work on it.

Raspberry Rocks:

Routes NEED repair. Many have bolts and anchors that are extremely old or even missing! Area needs to be a focus for next year's route repair work.

Route Repair Suggestions!

It's that time of year to ask for route repair suggestions for the future! If you have ideas or have heard anything from friends, let everyone know so we can get it on the list!
