

Black Hills Climbers Coalition Meeting Minutes

April 25, 2016

Board members in attendance: Andy K., Aaron S., Carrie L., Chris H., Toni B., Jim S.

Starbuck's in the Alex Johnson, as the Independent Ale House overbooked our meeting (again).

Recap of March- April Activities

Spearfish Meeting – Good feedback from people in Spearfish, lots of interest in doing another Spearfish meeting.

Bouldering event – Only five people attended but landed on a very hot day.

Falling Rock Cleanup – Four or five trash bags picked up. Including a Roomba. It was nice weather again, advertised well. Maybe posters next year. Start earlier with promotion.

Edge Sports has some rock climbing gear they are trying to unload. Toni will send out a list.

Access Fund stewardship training – Aug 12-14 – On Friday Aug. 12 there will be classroom time to go over the process they use and techniques. Should be people from all over the region. Andy Koosman is going to try and schedule a classroom building. Will discuss with land manager's areas of need. Be prepared with trail building areas that need help.

Beecher Rock – Problems with signage saying "No foot traffic." Andy Koosman will investigate.

Pinfest/Pumpfest – July 16, location will be decided at the next meeting.

Beans and Beaners – Sept 10

Updates to the Black Hills Climbers Coalition website - Make sure you take a look.

Roughly \$6,000 in our accounts.

Hydraulic bolt puller – Jason to call Rushmore and find out the status of the bolt puller.

Monday May 16 is the next scheduled meeting, currently for the Independent - Talk about looking into another location to hold meetings. Andy will call around and see who would be willing to host us.
