

Black Hills Climbing Coalition Meeting Minutes
Feb. 15, 2016
Independent Ale House, Rapid City

Board members present:

Andrew Koosman - Pres
Chris Huber/Carrie Locken - Secretaries
Jason McNabb - Member at Large

Topics discussed:

BHSU Crux members: The group was restarted this year. Trying to get more involved. Contacted Cedar Wright to give a talk at BHSU; want to do a climbing competition in Spearfish Canyon.

Going through the Impact Report process for climbing competition in the canyon. Planning for Sept. 10th and 11.

Cedar Wright talk: Apply for a activities grant through the BHSU and try to divide the cost. Crux will be the contact. Between \$1,500 and \$5,000. Could be in April.

Route repair:

Jason talked about route repair last year and what will be done this year. Pretty flush on hardware. Heard a list of routes that were repaired last year. Mostly in Custer State Park. Almost ready to run the hydraulic bolt puller at Mount Rushmore. Going to start working at Raspberry Rocks. Talk about using some money for glue-ins for Spearfish. Cronin is looking at replacing bolts at Falling Rock.

Adopt a Craig:

April 23, Falling Rock.

Paul Piana:

Sounded interested in doing a slideshow. Maybe shoot for May.

Meeting in Spearfish in March 21 at 7 p.m.
