

# **Black Hills Climbers Coalition Meeting Minutes**

Firehouse Wine Cellar

July 17, 2017

## **1. Pumpfest**

Outlets – meet at 9:00 am in parking lot for coffee.

## **2. Trail Maintenance**

The Access Fund Conservation Crew will be in the Black Hills for trail maintenance on Saturday, August 19<sup>th</sup>. Current plan is to repair the northside trail to the Cathedral Spires. The team would like to see a great turnout.

## **3. Devils Tower update from Lucas and Tony**

They were still looking for volunteers to help in the making of a film to engage the climbing community in bat conservation.

The route closure will end in early August – the birds are fledging.

June closure – was a decrease in the number of climbers from 2016.

Climber's coffee every Sunday morning beginning at 7:30 am.

Trying to make the climbing steward position a national program.

## **4. Chris Hirsh Article in American Alpine Club**

Congrats to Christ on getting his article "Lost Twin Lakes: A Little-Known Alpine Wall Gets Six Long New Routes" published in the American Alpine Club.

## **5. Slideshow**

Still attempting to get a slideshow for the fall arranged.

## **6. Reel Rock**

Andrew will connect with Mark Jobman regarding this annual fundraiser.

## **7. No Man's Land Film Festival**

The BHCC was approached by this film festival to partner with them and show a selection of "short, lady-powered adventure films." This is an all-female adventure film festival based out of the Rocky Mountains of Colorado. Andy said he would reply and ask for more details.

## **8. Repairs**

Jason noted that he repaired Lead Fillings and Boxcars and Airplanes. Chris Hirsh repaired Warning, Straight Outta Mordor (?) and West Rib.

Meeting adjourned at 6:45 pm.
