

## **Black Hills Climbers Coalition Meeting Minutes**

Hay Camp Brewery

August 20, 2018

**1. Pumpfest - July 21 at 9 a.m.**

Received over \$100 in donations.

**2. Donation Boxes**

Discussed various ways to get the word out about the use of donations – perhaps a flyer or something to go next to the donation box that informs but also allows climbers to suggest route repairs.

**3. August 10 to 12 for Access Fund Trail Work**

Small group, but finished the project.

**4. Bolting hardware**

Making progress.

**5. Dawn Glanc Film**

It was decided to show the film later in the fall – November or December. Dawn mentioned having a clinic at the same time. Also would like to get the town of Lead to talk about the ice park. Several stores are interested in donating swag and helping to promote. Hay Camp would provide us free us to screen the film.

**6. Beans and Binners – September 1, 2018**

9:00 am start; potluck; Sunday if rain on Saturday.

**7. Reel Rock**

Probably November.

**8. Access Fund**

Need to notify them of the change in BHCC president.

**9. T-Shirts**

Would like to get more t-shirts made to sell – Mark's banner graphic, add the year.

**10. Backpacker Magazine Tour**

Had a booth, received lots of visitors, got one new member.

**11. Anchor Poster**

Created a laminated poster of the right way to set up top-rope anchors for multiple climbers. Ron will distribute.

**12. Grants**

Discussed asking for grants to provide for hardware.

**13. New Anchors**

Anchors were replaced on 2<sup>nd</sup> Hand Rose; Misty Morning; and Pelican Dike.
