Agenda: Transitional Meeting

Budget	Tammy & Alicia will get together w/Christie and make sure final budget numbers that have been discussed are accurate for the year.	
Priorities/Expenses	<ul style="list-style-type: none"> • Club shirts for modified and JV players. It was decided that club shirts would be ordered for modified and JV players. Maria will contact NuWaka to get them made. • Game Day Shirts for the Varsity Boys and Girls. Budgeted amount of \$500 will remain for this year. Coaches pick this out wherever they want to. Coaches do the work and send us a bill. There are at least 20 kids per team. Coach and assistant coach also get these shirts. We are not responsible for more than \$500 if they go over the coaches are responsible for the difference. We will need to send the coaches an email 	

	<p>to remember the game day shirts.</p> <ul style="list-style-type: none"> • Homecoming Picnic: Parade date is Saturday, October 8th. It was decided to keep the budget amount in place, however we are going to send an email out to parents to ask for donations that day and try and use as little of budget as possible. We will look at option of setting up under a tent in another area if the weather is cooperating that day to avoid other team's confusion of who is hosting the tailgate. \$300 is budgeted for this event. • Meals for Away Games: We agreed to keep line item as budgeted. However, once team parents have been established we are going to try getting parents to sign up to donate snacks/drinks to be provided for each team. Modified did this last year and it was very successful. Will ask Matt Richards to take on the task of training other team parents on his methods. The budget was \$100 for each team (Only JV and Varsity Boys and Girls)(Total \$400 budgeted). • Black and Orange Night: Budget was \$200 total for both boys and girls. We will again ask player parents to bring a dish to pass. Note: We need to contact Josh Gannon to reserve upstairs cafeteria. Once game dates are announced we can lock in date for this event. • Senior Night: It is for senior girls and boys. We allotted \$400 per team (boys and girls). (\$200 for boys and \$200 for girl's team). We also a lot another \$100 additional for flowers. We provided Pizza, Cake, Water, balloons, and paper products. Player's parents bring a dish to pass.
