------------------	---	--

	Current bank has no fees, but this may not continue next year. Need to look at this next year.	
Son's of Italy Tickets Sold	Current Sales are at 320. Minimum was 250 (Yeah). We are on track for 350. JV Boys sold the most tickets. Varsity Girls came in second.	
Apparel Sale (Second one update)	Apparel should be done in the next two weeks due to issues with the stitching machine and backorders.	
Black & Orange Night	Well attended, the coaches gave great speeches. Kids were out of control, so next year we need to stress the need for parents to discipline the kids. The first game players should be made to watch the second game on this night. That would have solved the problem There was talk of eliminating Black and Orange Night and moving them back to the banquet, but they would have to pay for their tickets if they are not members. Will they attend is the question. There needs to be discussion next year as to whether we keep this or not next year.	
Banquet	There are no needs. It was brought up whether or not to have pictures scrolling. We can borrow the projector from the library. Christie is all over this with her husband. Tables for the different teams should be reserved with signs. All other tables are a free for all. There will be a small area when they walk in for raffles.	
Five Below Fundraiser Chair needed	This is a coupon like Rossi's You hand them to people and we get a percentage of what they buy. We just need to contact the guy and pick a date. We should do that around Thanksgiving to take advantage of Christmas purchases. Tickets will be handed out at the banquet.	
Meeting Adjourned.	8:25pm	
Next Meeting Date	November 30 th @ 7:30pm at Kristopher's	
Possible Agenda Items	Close out this year and plan for next year
