Junior Tigers/Fundraiser	Coach Shea address the Committee with a request for help to start a club team for UE Kids: There are clubs in Vestal and ME that are very inexpensive so we lose UE kids to those programs which diminishes our program b/c our kids are not playing together. Clubs such as GBUFC are expensive and a lot of kids families cannot afford them. Coach Shea: Starting in May would like to use the turf field. This is for UE District kids. After all fall sports would end. We would like the flyers out to the UE schools by March. 3 Divisions. 7-8 9-10 11-12 Can use Saturdays or Sundays according to Josh Gannon Coach Shea would like Sundays. 1pm Start Each Kid would pay \$30 or \$35 which includes a shirt. 30 minute training with UE JV or Varsity players Players would come early to learn the session given a shirt and they would work with their team 45 minute Game. 8 week program	Needs from the Booster Club: Money for Shirts which will be replaced with the registration Money. We do have a budget for Junior Tigers. Coordination of the flyers and registrations. Tammy to set a date to discuss the logistics of this further.

	<p>15 kids per team is ideal. Max out at 6 teams per age level. 18 teams. Would like a sign up day at the corporate office so it is local for those that do not fill out the form in advance and hand it to their teacher.</p> <p>Could expand to other sessions using the BC United Fields and the UE Gym.</p> <p>Goal is to get UE kids playing together at an earlier age as well as raising money for the booster club.</p>
