

Attendees: Tammy Taylor, Paul and Hope Mollo, Christie Havel, John Herzing, Barb Smart, Alicia Abbadessa, Maria Beach, Angela Walter, Kendra Ryerson, Maggie Wiebel, Andrea Palmari, Jon Shea (Via Phone).

Treasurer Report	Nothing to report Need to find out the date of scholarship awards so we can give out the Sideliners Scholarship. May 23rd last year is when the checks were written last year.
March Madness Pool	35 people in the pool. The lessons learned for next. Follow up, make sure people get the emails.
NYSPHSAA State Track Meet Fundraiser	6/9 and 6/10 there is a fundraiser where we are hosting the NYSPHSAA State Track Meet. We are having all teams and boosters help sell concessions for event. Soccer paired up with Boys and Girls Tennis to be in charge of selling sausage and peppers. There will be another meeting this Spring to answer any questions. Issue is logistics...how many people do we need to prepare for. Another issue is the proceeds are not going to our booster club, it is going to all the clubs with a majority of the money to go to the new fitness center. Regular concessions will be at the field house. Specialty concessions like burgers etc.. Will be held on the patio. The cafeteria facilities we think will be made available to us. Athletes can work as long as there is one coach there. Time: Noon to 6pm on Friday and 10a to 5p on Saturday. When we get more information it will be forwarded to Tammy.
Programs	Tammy emailed Mike Polemini who forwarded it to Jolie Juoditis about the programs they did for Basketball. Jolie did not do the graphics she sent it to Christopher White at Boces and he did everything. Basketball sold them at the games. Problem will be that there will be games before the school year starts. \$0.80 per program or \$80 for a 100...have to make sure you tell them it is for a school sport.
Cinch Sack	UE Soccer cinch sack.... Are we interested in having one like every other sport. Tammy is going to get a formal quote and get that going. There was consensus from the group that we should move forward with this as a fundraiser.
Tiger Youth Tee Shirts Chair Person	Maria to work with Jon Shea to develop the Tiger Youth Tee Shirts that will be used with the summer soccer program
Tiger Youth Program	Jon recently met with Josh Gannon, he said we have free reign on Sundays whenever we would like to start. Jon wants feedback on the flyers. Start time, end time, shirt sizes are already on there. Aleccia feels that we should emphasize that the high school players will be there. Jon and Kendra will do most of the skills development. 6 to 7 week program. Skills and drills each week. Foot skills will be every week, but each week there will be a specialty drill. 40 to 45 min game at the end of each session on the turf. Each week the different teams will face each other. 6 teams all with different color shirts. Games will be rotated. 3 Divisions, 5-6 yo division, 7-8 yo division, 9,10,11 yo division. Jon feels all of this should be on the turf to prevent issues with weather. Group feels the issue may be that this is a whole day every Sunday. The gym teachers at the different elementary schools were reached out to already to get kids interested. The goal is to get our program to start earlier so we have kids in the program that truly want to play soccer and not just play because they were cut from another team. Goal is have all the JV and Varsity kids to work it. Goal is for the kids to learn to love soccer. Need to have the flyers out before school

	<p>ends.</p> <p>Tammy feels we need to have a meeting just on this. There are people in the community that want to be involved. Tammy feels that the flyer can be dispersed in a day. It can also go up on the school website as well. Jon is available on Tuesdays and Fridays. Meeting will be 7pm Tuesday 3.28.17 at Jonathans.</p> <p>Hope sent Jon the UELL baseball clinic flyer as an idea of how the soccer flyer could be set up.</p>
Football Tickets Fundraiser	Fundraising Idea: Sell raffle tickets to win tickets to an NFL Football game.
Chicken BBQ Tickets	Boys and Girls get work together to sell chicken BBQ Tickets is another possible fundraiser
Banquet	Question: Should we have modified players at the end of year banquet instead of having a Black and Orange night. You must be a booster club member to attend the banquet. 300 people preferred as the Max at Traditions. 174 people went to last years banquet. Last years Black and Orange night was horrible...kids were out of hand. Vote: Tabled until next meeting
Sons of Italy	Going to be done before the banquet but after the season is over. No date yet.
Applebees Pancake Breakfast Fundraiser	9.17.17 Is the date of the Applebees Fundraiser. We are locked on this date. We can sell up to 300 tickets.
Team Parent List Update	Need a list of girls who were on modified but in 8th grade. We need find parents for both modified boys and girls. We need someone for JV Girls. JV Boys we have Matt Richards. Varsity Boys we are going to ask Leslie and Maureen. Varsity Girls we have Chris McCloe.
Five Below Fundraiser	We still need a chair for this fundraiser.
Meeting Adjourned	Meeting adjourned at 9pm. Subcommittee Meeting for Youth Program: 3.28.17 at 7pm at Jonathan's Next meeting: 4.26.17 at 7pm at Kristofors
