GA Fundraising Opportunity	David Wood presented several opportunities to fundraise. Basically Kids fill out a contact list (Phone list). They would get together and make calls to sell two possible items. First item was a stainless steel tumbler, cost is \$25 per tumbler, we make 40% profit. Could make \$4000 to \$5000 with the amount of kids in we have would be achievable. Second option could be to do the "Save Around" App which replaces the book. It has GPS so could be used in other areas. The App is \$20 and we make \$10 per sale (50% profit).
