SEASON DETAILS

When:

The season runs from early September to late October. If your team gets organized with a coach and a manager in late August we can try to arrange practices in August.

There are 8 games in a season. 4 home games (at BC United) and 4 away games (typically less than hour away: Elmira, Ithaca, Corning, ME, Newark Valley are typical locations). U8 Coeds have a slightly different game day format.

Where:

BC United fields are the soccer fields behind the [Ann G. McGuinness](#) school on Rt 26 in Endicott.

Individual Costs/ Requirements

Please provide the following required items:

- 2 registration forms (they are attached)
- \$55.00 to **BC United Soccer Association**

These need to be completed and delivered to me or your coach/manager. You probably do not know who your coach/manager is yet but we hope to get that info to people soon.

Team Costs/ Requirements:

Your team will have additional costs (referee costs) and those are typically around ~\$300 per team. If you have 14 kids on a team, that is an additional approximate cost of \$21.50 a kid. Your team can fund raise to ease the burden of those costs.

Your coach/manager will detail how to get a uniform in the upcoming weeks. Uniform costs last year were approximately ~\$22.00. Uniform is not required but your coach/manager will detail that info.

We are a volunteer run organization. **We need volunteers.** Please contact me if you would like to **coach or manage** a team.

Coaching Manager Responsibilities:

Coaches run practices and coach games. Managers contact their team's parents and communicate things like: practice times, collect money for ref fees, where games are. Basically you share information. *It is possible that we could get enough children for a team but then not register that team for Broome County league if we do not have a coach and manager.*

Thank you - we are excited to get our UE kids playing some soccer together.
