Youth League Registration	Parents were asking what their registration fee went for. \$55 to register a team and \$300 in referee fees. Booster club pays the registration. The parents pay for referee fees and uniforms for the players.
Junior Tigers	There has been issues getting volunteers for the Junior Tigers team. The Board feels that the Junior Tigers should form their own board. This is felt to need to occur b/c the issues of the Junior Tigers is affecting all levels of the program. Broome County is fining the Junior Tigers program for not showing up to an event \$155. This is felt by the board to be paid by the parents of the team that did not show up. A letter will be sent the parents of the team to collect the money. It will result in \$5 per player.
Fundraisers	As a future agenda item, it is felt that we need to discuss the number of fundraisers and which fundraisers we should be running. There are some fundraisers that are more valuable than others. This will be done at the time we make the new budget.
Board Positions	Open for next Season: Discussion on replacements
New Business	
Senior Gifts	Discussion ensued about how to fund Senior Gifts going forward. There was talk of picking a single fundraiser and what is raised is what is available for budget purposes for senior night. The thought is to use the March Madness pool to do this. Try to do a sweet sixteen pool and a super bowl pool.
