

## Make a Display Table for Rally Day!

### **Prepare an exhibit to be displayed in the hallway of the Legislative**

**Plaza** showing what your homeschool is doing. These displays tell volumes to our lawmakers of the exciting education our students receive and of the vibrancy of the home educating life style while dispelling the misconceptions of homeschooling, including the myth our children are poorly socialized!

These can be anything from the trophies of the Nashville Warriors, National Homeschool Basketball Champions, to your children's school work or art work! Make it a fun project to create your own tri-fold display!

If you have an exhibit you'd like to display, please contact Pam Archer by this Tuesday, March 29th at <[davidandpam.archer@att.net](mailto:davidandpam.archer@att.net)> or call her at [615-516-6157](tel:615-516-6157). THEA will rent the tables for you & provide the to-the floor tablecloth! You supply the display with either a 3' or 6' footprint!! If you miss Pam, leave a message with your contact information & whether you need 3' or 6' space for your display. There is still room for your display, so give Pam a call!
