# Learning to THINK for a CHANGE Leadership Intensive

Who are you...REALLY?

What you know matters, but who you ARE matters more.

What if I told you that in 6 days we could take YOU on a revolutionary journey that would help you discover your authentic self, be comfortable and confident in your own skin, and learn how to benefit from your strengths and weaknesses to accomplish all that you were created for?

How would that transform YOUR life?

AND what if you could learn how to do the same for OTHERS?
