

## Newsletter Spring 2020

Dear Parents and Carers

We would just like to say a belated thank you for all the lovely gifts and cards we received at Christmas.

This half term we have engaged in a variety of activities including 'Chinese New Year', 'Medical Occupations' and 'Numbers' please keep an eye on all the exciting displays that are going up around the classroom.

We were lucky enough to receive a visit recently from Dr Harrington. She came in to talk to the children about her job as a GP and how to stay healthy. She bought a stethoscope and an otoscope for the children to look at and use. Some of our parents have taken up the opportunity to come in and share their jobs or interests with the children, if you have lost the letter and would still like to do this then come and talk to us!

We have restarted our "Show and Tell" circle time, when it's your child's turn, they will return from school with a sticker asking them to bring something in they would like to share with their friends. We would ask that bringing in toys is kept to these show and tell days as some children find it hard to share toys from home and they can sometimes get broken or lost.

In the event of inclement weather, a notice will go onto the website by 8.00 am informing you of any school closures, (this normally ties in with St Benedict's being open or closed), we will endeavour to notify the local radio station and we will try and text as many of you as possible. Please can you make sure all contact details are up to date and inform us of any changes.

**I have been asked by the St Benedict's head teacher to remind all parents that there is a no parking zone outside the front of the school especially at pick up and drop off times as emergency access is required at all times.**

As a reminder half term is Monday 17 February to Friday 21 February, we break up for Easter on Friday 03 April and return for the summer term on Monday 20 April.
