

HISTORIC PORT NORFOLK

PORCH TALK

**NEXT CIVIC LEAGUE MEETING:
THURSDAY, MARCH 7 @ 7 PM**

Port Norfolk Recreation Center, 423 Broad Street

FEATURED SPEAKER:

MASTER GARDENER BOB PERKINS

DIG A LITTLE DEEPER:

The Portsmouth Master Gardener's mission is to educate Portsmouth residents about safe, effective and sustainable garden management practices. They are volunteers who have received extensive training under the auspices of Virginia Tech, Virginia State, and the Virginia Cooperative Extension Office to provide unbiased, research-based horticultural information, tips, techniques and advice to the community.

WE NEED YOU!

For those who showed their love to PoNo in February, we are so grateful! We feel the love and keep up the good work! To that end, the battle against litter seems to be getting a little worse and we need your continued help picking up any trash you see, speaking up if you witness trash being thrown on the ground, making sure the lids of your trash cans are secured so trash cannot blow around, and if you are able, walk your block with a bag and pick up all trash down the street.
