Dear Port Norfolk Resident,
As a concerned resident of the community, as I am sure all of us are, I would urge all of you to report any suspicious activities within the neighborhood to the police department.

In talking to Chief Palmer, he has assured me that in dialing 911 and stating that your call is not an emergency, you are immediately transferred to a non-emergency line and that our observations and calls are appreciated.

Please do not hesitate to dial 911 and report your concerns.

Sincerely,

Madalyn Morris-Grimes
President
