Civic League Meeting

At the February Port Norfolk Civic League Meeting, we were happy to welcome Donna Corbis as our speaker. She told us about the bulk removal system in our neighborhood and answered many questions we had.

THIS MONTH'S MEETING:

Thursday, March 6th

7:30 p.m.

Port Norfolk Recreation Center

432 Broad Street

Please join us to hear **Tim Brown**, from the Red Cross, speak to us on the subject of **Disaster Preparedness**. This will be a great chance to find out what is really essential and what is optional, as we all prepare our families for safety. The Port Norfolk Civic League Meeting is always a great opportunity to talk with old friends, meet new neighbors and share refreshments.

In Sympathy

Our condolences to the family of Annie M. Riddick, of the 600 block Florida Avenue.

Thank you

Thank you, Guy Buck, for your donation to Fountain Park.

Good Neighbor Reminders:

- Where are all these tires coming from? Folks, tires are ugly. Please dispose of them properly. Put them out for bulk before 7 a.m. this Friday.
- If you have a tree cut down, it is the responsibility of the tree contractor to dispose of all the resulting limbs, branches, etc. If your contractor does not take care of it, then you as the homeowner are ultimately responsible for disposing of it.
- When you notice cars being parked on lawns, please call the zoning board of the city at 393-8836.

How to Publish Something In Porch Talk:
