8 am – 8 pm

Informational post 

Cost: \$100 per team member; teams up to three people per team , *ONLY 10 Teams Total*  
Dates: September 21st & 22nd, 2019

Rules & Regulations:

- Team spots picked by lottery by team captain.
- Up to 7500 watt generators permitted
- No Hydraulics
- No air tools
- No saws
- No gas powered hammers
- Team fee includes one water/electric campsite
- Team fee includes hot dogs/hamburgers Saturday evening for team members.
- Any contesting of border lines and specimens found near them are to be figured out between teams; a \$50 fee applies if a staff member has to call it.
- **Mining Hours for event are Saturday 8:00 a.m. – 8:00 p.m. and Sunday, 8:00 a.m. – 3:00 p.m., awards immediately following**
- Each team is to submit their choice for Nicest Specimen for judging; each team member will vote for nicest specimen and are not allowed to vote on their own

Prizes for "Best Specimen"; "Most Quartz Weight Mined" and "Most Rock Moved"!

~ Come try your luck with your hardest working friends! We will be sectioning up the wall our Tears of Wenedi mine into 10 different "spots". **Ten teams are welcome to bring in their tools and see who can find the best specimen overall.**

~ **For this competition, electric jackhammers, hammer drills, and up to 7500 generators ARE permitted! Please see our pinned post with rules and regulations. Interested in having a team? Message us to see if there are open spots! I'd get those teams together, as the spots will fill up quickly!**
